

Aula Toledo

AULA TOLEDO

**Experience Toledo, a world in miniature
that captures the essence of Spanish
culture and history.**

What is Aula Toledo and what do we offer?

Aula Toledo is an **accredited Cervantes centre** - a high quality, responsive and personalized approach is fundamental to our teaching.

Our **teachers** are experienced and meet high professional standards. They are enthusiastic and committed and match this with a sense of compassion and care that ensures all our students realize their potential.

Our facilities

An old building (with walls of the 8th Century) totally restored in 2015 and just in the middle of the old town Near monuments, shops and transports, comfortable classrooms with free Internet WIFI.

Educative proposal

Program: 4 hours per day. Five days in a week Contents: Students will be organized by their Spanish language level as it is setted in the European framework of reference for languages. Here you will learn to greet, talk about yourself, ask about others, shopping, order in a restaurant, etc

Students of every level will practice their knowledge of the language along with a socio-cultural view of the Spanish speaking countries; they will also improve their receptive and productive skills both in the oral and in the writing.

Why Aula Toledo?

Because you will:

-Learn in a school where quality and attention to detail is important.

-Choose from a wide variety of programs and activities.

-Study in an ancient city that is intimate and isn't crowded with international students so you will practice your Spanish 24/7.

-Enjoy the delights of a small city that's totally safe and easy to get around, even fun to get lost in, rich in history and art and full of lively bars and restaurants.

-Find yourself in the best possible location from which to explore Spain- Madrid is just 30 minutes away by train or 45 by bus.

-Benefit from an enriching and unforgettable experience.
